School Board Has Another Busy Year!

The School Board members are as follows: Front Row: Frank Nielson, Buford Elly, Roger Ferkers, Orval Fals. Back Row: Paul Kjar (Secretary), Gary Schichtl, Dale Lage, Bud Nissen, Ralph Tumm (President).

The Board of Education, composed of seven citizens elected by the voters of the district, was entrusted with the responsibility of working for and with professional educators for the educational welfare of children.

The board, organized and operated under the laws of Iowa, had its own rules and regulations, and the expressed will of the electorate.

There are many ways to state the responsibilities or functions of school boards. In general, they are similar to the functions of the board of directors of a private corporation: to establish the organizational structure.

In addition to the regular monthly meeting, the board members gave many hours to individual study and extra meetings on the local and state level in order to deal effectively with school matters.

The only compensation for the time away from their personal lives was the knowledge of the important contributions they made to the community. This contribution merited the appreciation of the citizens of the community.

A d m i n i s t r a t i o n

The American poet Carl Sandburg said it as well as it has probably ever been said, when he wrote the following lines:

"Some sacred seed lurks in each human personality, no matter how lowly its arrival on earth. To give every such seed the deepest possible roots, and the highest possible flowering is in the vision and hope of those ideas of freedom and discipline which constitute the American Dream."

--Gary Schichtl

Life is divided into three terms--that which was, which is, and which will be. Let us learn from the past to profit by the present, and from the present to live better for the future.

--Dean Newlon

"It is what you do with what you have that really counts." This age old statement is as applicable today as in the past. No two people can be expected to achieve at the same level, but all can achieve to the best of their ability. In education we must both encourage and allow this to evolve.

Baseball in Full Swing

Front Row, From Left to Right: David Memlers, Jeff Kadace, Barry Cron, Reese Gaetzke. 2nd Row: Andy Faaborg, Randy Rutter, Mr. Dunbar (Coach), Darwyn Pals, Doug Halfpap.

Baseball won 1 game and lost 12. The Lancers seemed to be in most games until late innings when the pitching staff seemed to slim down. The lone win was by Reese Gaetzke against Rockwell-Swaledale. In that game Andy Faaborg got the key hit to drive in the winning run. Although the season was not successful in the won and loss column, many young fellows received important experience. Leading hitters were Andy Faaborg and Darwyn Pals.

Row left to right: David DeMaat, Kevin Mints, Scott Nicolet, Darryl Lowe, Dean Avery, Scott Sprau, Steve Miller, Jay Butler, Rick Eversen, Marc Pals, Micky Bisenman, Brian Nissen, and row: Dennis Brady, Dan Barz, Tom Ward, Mark Fischer, Micky Krietlow, Dan Barz, Darwin Ratter, Dan Ratter, Steve Schmidt, Steve Oppermann, Barry Crow, Jeff Ecker, and row: Mr. Hennrich's (coach), Dennis Avery, David Meinders, Andy Eversen, Brad Crats, Tom Ward, Randy Ratter, Darwyn Pals, Kevin Sprau, Chuck Clifford, Randy Pals, Mr. Dunbar (coach).

The 1992 Lancer team was led by first team all-conference players Steve Schmidt and Steve Oppermann. Other first team all-conference players were Randy Ratter. These fellows were grouped with our other seniors Ricky Hagen, (honorable mention all-conference), Tom Ward, Jay Butler, Darwyn Pals, Brian Nissen and Micky Krietlow. The Lancers completed the season with a four and four record. The Lancers were victorious against Dimont, Corwith-Wesley (homecoming), Klemme, and Cal.

The most leading ground gainer was Steve Oppermann, leading individual tackler for the Lancers and a new school record was Steve Schmidt. The Lancer squad chose Randy Ratter and Steve Oppermann as team captains.

Other Lancers who helped the Lancers this past fall and will be returning next fall are Barry Crow, Chuck Clifford, Mark Fischer, Kevin Sprau, Randy Pals, Scott Sprau, Denny Avery, Brad Crats, Scott Nicolet.

The M-T girls basketball team was a very successful one. The girls finished with a fine 16 wins and 10 losses. They were undefeated in home games, district tournament and several runner-ups. The Lancerettes were defeated in the final of the district by Allison--Hawley. Just one game away from the state tournament, this is farther than any M-T girls team has advanced in tournament play.

Brian Nissen was the leading rebounder with 194 rebounds followed closely by Roger Wood's 184. Roger was also the leading field goal percentage shooter with 32%. These girls are Dore Nielsen, Lisa Groh, Vanessa Kessler, Jenae Lane, and Suzie Mabb. They won 2 and lost 1. Finished fifth in the conference golf meet.

The boys golf team was made up of six boys of whom only two had played prior to this spring. Barry Groh and Billy Vierkant had previous experience but the rest of the team is young and will need a lot of work to be competitive next year. They won 1 and lost 7. Finished fourth in the conference golf meet.
